Beauties vs. The BEAST

LADIES REGIONAL GOLF TOURNAMENT BENEFITING MARYHURST

The Persimmon Ridge Ladies Golf Association is excited to host the **11th ANNUAL BEAUTIES VS. THE BEAST GOLF TOURNAMENT.**

It's an event comprised of two-lady teams competing in a unique, fun, and challenging format. This important tournament raises awareness and financial gifts to benefit Maryhurst, a residential treatment facility in Louisville that serves troubled and abused young ladies and children.

If your company sells products or services to women, this is a special opportunity to connect with an active, influential, and diverse group of women from across the region. Plus, as a sponsor of this tournament, you'll help bring hope to young people in the community through Maryhurst.

A rep from Maryhurst will be at the event to share about the work and mission of this important organization. Visit maryhurst.org to learn more or to donate directly.
